EXPERIENCE

FREELANCE WEB DEVELOPER

April 2026 - Present | Bhopal, IN

- Developed and deployed 5+ production websites for local businesses using React, Firebase, and Tailwind CSS.
- Built **MyBuxar**, a local services directory listing 150+ businesses across 25+ services, used by 200+ residents.
- Designed 3 responsive websites for **Verma Family Restaurant** and **Eat & Street Restaurant**, and a local cake shop.
- Collaborated directly with clients from requirement gathering through development, deployment, and revisions.

WEB DEVELOPMENT TEAM MEMBER | GDGC VIT BHOPAL

2026 | Bhopal, IN

- Developed official Website for **Advitya** Fest, 500+ attendees, featuring Parallax Scrolling and custom animations, achieving 1.1s load time.
- Worked on responsive layouts and modern frontend interactions to create an engaging event experience.

TECHNICAL CO-LEAD | MATRIX - THE MULTIMEDIA CLUB

2026 | VIT Bhopal

- Led web development team of 15+ developers building internal tools and public platforms for the club.
- Developed a **task management application** used by 80+ club members to coordinate activities, assignments, and project workflows.
- Designed and developed the club's **official website** and a **Linktree-style platform** increasing social engagement click-throughs by 47%.

OPEN SOURCE

AI-DRIVEN PUBLIC HEALTH CHATBOT | GSSoC CONTRIBUTOR

View Contribution

- Integrated the Gemini API to replace static responses with dynamic, real-time AI-generated chatbot responses.

STUDYMATEPLUS | GSSoC CONTRIBUTOR

View Contribution

- Implemented dark mode and restructured the backend folder architecture to improve project organization and maintainability.

AWARDS

Top 100 of 11,000+ Participants Faraway International Hackathon(2026)
